The resources in our libraries are available to you anytime you care to borrow something.

We carry a variety of books, children's books, videos, CDs, and kits covering topics from child development to discipline. Our resources are relevant to children—birth through school-age. We also have resources available in other languages.

Borrowing from us... Easy as 1, 2, 3!

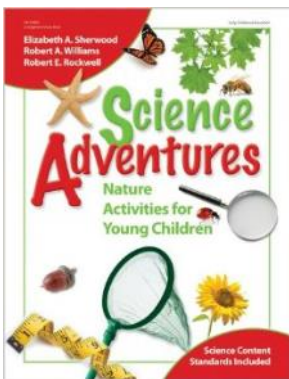

1. Call or email us to make an appointment to come into the office.
2. Take a look at the selection and sign-out what you would like to borrow.
3. Call or email us to set up a time to return them and check out some more!
