For your student's safety and welfare, LISD Bus Drivers must make visual contact with a parent, guardian, babysitter (responsible person) before letting a student off the bus. Please provide the following information:

- I hereby authorize LISD to leave my student at HOME ALONE, without a parent, guardian, or caretaker present and will assume total responsibility for the student. I will not hold LISD or the driver responsible if no one is home.
- I do NOT wish to leave my student at home alone and I authorize the following to accept my student off the bus. **Please list a minimum of 3 people.**

Contact Name	Telephone Number	Relationship
1.		
2.		
3.		
4.		

The signal I wish to establish with my student's bus driver for visual contact is: (*check only one*)

- Authorized person will meet the bus.
- Authorized person will wave from doorway.
- Authorized person will wave from window that driver can see.
- I have a special agreement with the bus driver. Specify _____
(Subject to approval by Transportation Coordinator.)

I understand that it is imperative to notify the school and Transportation Department of any changes that may affect my child's health. I also understand that it is equally important to inform the school and the LISD Transportation Department of changes in contact information for my student.

Because of a very tight schedule, we are not able to spend extra time trying to locate a place to leave students whose parents or sitters are not home when they are delivered after school. While we are not legally responsible if no one is home, it has always been our procedure to make sure a responsible adult was home before the student is left.
